

# England Lions Women Assistant Coach

## Volunteer Role Description:

The England Community Lions Programme are currently looking to appoint an assistant coach for their women's programme.

The appointed coach will hold a current RFL coaching license, have a good understanding of Women's Rugby League, including competitions and structures. Current or previous experience in coaching Women's Rugby League would be desirable.

The role of the assistant coach is to effectively and efficiently develop the team and individual athletes and to help create a positive, responsive and productive environment.

### Key responsibilities will include

- Support planning and delivery of training sessions.
- Attend matches & training (mainly Weekends)
- Help create and maintain England Lions Women high standards
- Regularly review performance and progress
- Provide regular monitoring and evaluation information
- Assist on selection

### Person specification

- RFL coaching licence
- Current First Aid Certificate (preferable)
- UK driving license and access to personal transport (essential)
- Relevant coaching experience
