

Leadership and Performance Programme

The Rugby Football League in collaboration with UK Coaching present an exciting bespoke free 12 month programme in leadership and performance for aspirational female coaches which will start in June 2021 and run until June 2022 culminating in a player development pathway opportunity post programme. The programme is designed to support the development of influential and upcoming leaders within coaching ready to inspire a generation of future athletes. As an integral element of the **Tackle IT plan**, the Rugby Football League aim to create a leadership community of women to impact performance and development across the country. The interactions face to face and virtually will be practical, reflective and highly relevant underpinned by expert research. This approach will allow for better understanding of yourself, relationships, the environment and your coaching practice.
