The plan and markings there on and the notes relating thereto are part of
these Laws.

This above diagram is the maximum dimensions

NOTES
1. The Touch Lines are in Touch, the Touch in-Goal lines are Touch in-
Goal, the Goal Lines are in the In-Goal area and the Dead Ball Line is

ensure that corner posts are correctly positioned.

is recommended that the bottom two metres of each upright be
padded.
4. For adult games the dimensions should be as near maximum as
possible to the dimensions stipulated. Cross-bar three (3) metres
long and two (2) metres from ground. Upright to be greater than
three (3) metres long recommended four (4) or five (5) metres.

Section 3

THE BALL

Shape and Construction

1. The game shall be played with an oval air-inflated ball the outer casing of which shall be of leather or other material approved by the International Board. Nothing shall be used in its construction which might prove dangerous to the players.

Size and Weight

2. The dimensions of the ball shall be those approved by the International Board Size 4, deflated by 10% (8-9 psi).

Ball Deflated

3. The Referee shall blow his/her whistle immediately he/she notices that the size and shape of the ball no longer comply with the Laws of the Game.

NOTES

Colour of the Ball

1. In senior competitions the ball shall be light in colour so that it can be more easily seen by spectators.

Ball Bursts

2. If the ball bursts as a player is taking a place kick at goal, he/she should be allowed another kick. If a player grounds the ball for a try and then it is noticed that the ball has burst the try should be allowed. Otherwise, if the ball bursts, play is stopped, the ball is replaced and a Controlled Restart Play—the Ball is awarded to the team last in possession at the point where the ball bursts.
SECTION 4

THE PLAYER AND PLAYERS’ EQUIPMENT

1. The game shall be played by two teams each consisting of not more than five (5) players on the field at any one time. A maximum of two (2) non-disabled and three (3) disabled players are allowed on the field at any one time. In a case where a sin-bin, dismissal or injury reduces the number of players on a team, there must only be a difference of two (2) players between teams.

Substitutes

2. (a) Each team may nominate a maximum of five (5) replacements before the start of the game. Their names along with those of the players must be given to the referee before the start of the game. A maximum of twelve (12) interchanges will be allowed from the ten (10) named players. Substitutions shall be sanctioned by the Referee or by an official appointed to oversee the substitution process.

2. (b) Where a player is bleeding, the Referee shall direct him/her to leave the field for attention in which event he/she may be replaced. This replacement counts for the purpose of 2 (a) above.

2. (c) Mechanical failure may require a substitution. This replacement counts for the purpose of 2 (a) above.

Numbering of Players

3. For ease of identification, players’ clothing should be individually numbered.
NOTES

Substitutes

1 (a) A player other than a player who is replacing an injured player who has left the field cannot be substituted during a play-the-ball except when play is stopped because of injury. If a substitution is effected when a kick at goal is to be taken, the substitute shall not be allowed to take the kick.

2. (a) If a player is sent to the sin-bin or dismissed, then the equality of the team needs to be maintained for duration of the dismissal.

Late Arrival

2. (a) The laws relating to the replacement of players apply also to any player who, arriving late for the game, wishes to join in the play after the game has started.

Players’ Equipment

3. (a) A player shall not wear anything that might prove dangerous to other players.
(b) A player’s normal gear shall consist of a numbered jersey of distinctive colour.
(c) Protective clothing may be worn provided it contains nothing of rigid or dangerous nature.
(d) All non-disabled players are required to be strapped into their chair (lap, knees and ankles).

Dangerous Equipment

4. (e) The Referee shall order a player to remove any part of equipment which might be considered dangerous and shall not allow the player to take any further part in the game until the order is obeyed. The player shall retire from the playing field to remove the offending item if the start or restart of the game would otherwise be delayed.

Similar Colours

4. (f) The colours of the jerseys worn by competing teams shall be easily distinguishable and, if in the opinion of the Referee similarity between the jerseys might affect the proper conduct of the game he/she may, at his/her discretion, order either team to change jerseys in accordance with the rules governing the competition in which the game is played.
NOTES

Inspect Equipment

4. (e) Match Officials should inspect players’ equipment before the start of the game: e.g. Wheelchairs bumpers and wheel anti tip are in place, players are correctly strapped into their chairs (lap, knees and ankles, disability permitting) and the playing kit has the Velcro and tags in the correct position. This does not relieve the player of the responsibility of ensuring that nothing of an offending nature is attached to the player.

Colours

4. (f) Referees should inspect the colours to be worn by the teams before the players enter the field of play so that, if a change necessary, the start of the game is not delayed.

Teams must differentiate the colour of tags and shirts

The tags must differ in colour for each team

Clubs not wearing their registered colours should be reported to the appropriate authority by the Referee unless the reason for not doing so is self-evident or known beforehand.

Section 5
Mode of Play

Object

1. The object of the game shall be to ground the ball in the opponents’ in-goal to score tries (see Section 6) and to kick the ball over the opponents’ cross bar to score goals (see Section 6).

Start of Play

2. The captains of the two teams shall toss the coin in the presence of the Referee. The captain winning the toss shall decide to either kick-off or choose which end his/her team shall defend. The losing captain shall take the other of the alternatives.

Mode of Play

3. (a) Once play has started any player who is on-side or not out of play can travel with the ball, kick it in any direction and throw or knock it any direction other than towards his/her opponents’ dead ball line (see Section 10 for Knock-on and Forward Pass).
NOTES

3. (a) Impaired / Restricted Mobility
Where a player’s movement is restricted, touching anywhere on the wheel with the ball is permissible. Both pushing wheels must be within the in-goal area.

3. (a) Picking up In-GOal
Picking up the ball is not grounding it and a player may pick up the ball in his/her opponents’ in-goal in order to ground it in a more advantageous position.

Ball on Goal Line
As the goal lines themselves are in-goal a try can be scored by an attacking player grounding the ball on the goal line, but not at the foot of the posts in the field of play.

Incorrectly Grounding
When an attacking player fails to ground the ball correctly, play continues unless stopped for some other reason e.g. a knock-on or the ball goes dead.

Release after Grounding
A try should not be disallowed because the player who correctly grounds the ball fails to retain it.

Referee Unsighted
The Referee should not disallow a try because he/she was not in a position to see the grounding of the ball.

Penalty Try
(a) The Referee may award a penalty try if, in his/her opinion, a try would have been scored but for the unfair play of the defending team. A penalty try is awarded between the goal posts irrespective of where the offence occurred.

Touching Referee/Others
(b) If an attacking player carrying the ball comes into contact with the Referee or another Match Official or an encroaching spectator in the opponents’ in-goal and play is thereby irregularly affected.

Position of Try
3. The try is awarded;
(a) Where grounded is scored as in 3(a) and 3(b) above.
(b) Between the posts if a penalty try 3(c)
(c) Where contact took place if scored as in 3(d) above.
Referee – Sole Judge

3. Only the Referee, may award a try, but the Referee may take into consideration advice given by other Match Officials before arriving at his/her decision. He/she shall signal that a try has been scored by pointing to where the try has been awarded but should only do so after looking at the Match Officials to ensure they are not reporting a prior incident.

Goal – How Scored

4. A goal is scored if the whole of the ball at any time during its flight passes on the full over the opponents’ cross bar towards the dead ball line after being kicked by a player (and not touching or being touched in flight by any other player) in any of these circumstances;
(a) by a place kick or a drop kick after a try has been scored and counts two (2) points
(b) by a place kick or a drop kick when a penalty kick has been awarded and counts two (2) points.

Drop Goal

5. A drop goal is scored by a drop kick during play from any position in the field of play and counts one (1) point. A drop goal shall be awarded notwithstanding that the ball touches or has been touched in flight by an opposing player.

Where Taken

6. A kick at goal after a try may be taken from any point on an imaginary line drawn parallel to the touch line in the field of play and through the point where the try was awarded. A kick at goal from a penalty kick may be taken from the mark or from any point on an imaginary line drawn from the mark towards the kicker’s own goal line and parallel to the touch line.

Players’ Positions

7. When a kick at goal is being taken following a try, the opposing players shall position themselves outside the field of play. Players of the kicker’s team must be behind the ball. When a kick at goal is being taken from a penalty kick, the opponents shall retire to their goal line or not less than four (4) metres from the mark (see Section 13).

Not to Distract Kicker

It is illegal to attempt to distract the attention of a player who is kicking at goal.
Goal Post(s)

8. For the purpose of judging a kick at goal, the goal posts are assumed to extend indefinitely upwards.

NOTES

No Goal from Kick Off, etc.

7. A goal cannot be scored from a kick off, drop-out or a free kick

Advise Where to Place the Ball

8. A Match Official should ensure that a kick at goal is taken from the correct position by advising the kicker beforehand. If the Referee’s advice is ignored by the kicker no goal shall be allowed and the kick shall not be retaken.

Wasting Time

If a player wastes time when kicking at goal, the Referee may caution him/her or, in an extreme case, dismiss him/her. He/she should not cancel the kick but should allow extra time to compensate for time lost.

Colleague Holds Ball if Necessary

9. (a) When a kick at goal is being taken it is permissible for a teammate of the kicker to hold the ball in position by placing a hand on it.

Authorised Kicking Tees

9. Kicking tees are permitted for starts of play, restarts after scoring and attempts at goal. Kicking Tees must be no higher than the top of the pushing wheel.

Judging Kicks at Goal

11. If a Match Official is of the opinion that a goal has been scored, he/she shall raise his/her flag above his/her head. If the kick is unsuccessful, he/she shall wave his/her flag in front of himself/herself and below the waist. If there is no disagreement between the Match Officials their decision shall be accepted. In the event of a disagreement, the Referee shall decide.
NOTES

Accepting Match Officials Decision
10. If the ball passes near to one upright, the Match Official assigned to that upright is in the better position of the two to decide whether the ball has passed inside or outside the post and, in the event of disagreement, the Referee should be more inclined to accept this particular Match Officials decision.
A Match Official should not necessarily remain stationary when the ball is in flight. He/she should move sufficiently to ensure that at all times he/she has a clear view of the ball.

Pretending to Kick at Goal
It shall be misconduct for a player to pretend to kick at goal from a penalty kick and then deliberately kick it elsewhere. Such misconduct shall incur a penalty. Once having informed the Referee of his/her intention to kick at goal from a penalty the kicker shall not do otherwise.

Section 7

TIMEKEEPING

Length of Game
1. The game shall normally be of eighty (80) minutes duration. Interval
At half time there shall be an interval of five (5) minutes but this may be extended or reduced.

Changing Ends
2. A team shall defend one in-goal for the first half of the game and then change ends for the second half.

End of Play
3. If time expires in either half when the ball is out of play or a player in possession has been tackled and the ball has not been played the Referee shall immediately blow his/her whistle to terminate play. If the ball is in play when time expires, the Referee shall terminate play when next the ball goes out of play or a player in possession is tackled but time shall be extended to allow a penalty kick or a kick at goal to be taken in which case the half is terminated when next the ball goes out of play or a tackle is effected, unless a further penalty is awarded in which case time is extended for the kick to be taken.
NOTES

Shortening Length of Game
1. The duration of the game may be reduced by mutual agreement and if permitted by the rules governing the competition in which the game is played.

Alerting Interval
Clubs wishing to alter the length of the interval should apply to the appropriate authority who will then instruct the Referee accordingly.

Using Timekeeper
3. A timekeeper may be employed to signal half time and full time, in which case the Referee on receiving the timekeeper’s signal, terminates the half in the manner described above. A timekeeper may also assist the Referee in determining the end of a player’s temporary suspension.

Allow Second Kick
If the ball is kicked into touch from a penalty the non-offending side should be allowed full advantage of the penalty award by extending time to allow play to be resumed with the free kick permitted by the Laws relating to the penalty (see Section 13).

Time off for Cautions
Where time off applies, time should be taken off in the event of a caution being delivered to a player/players.

Extra Time
4. Extra time shall be added to each half to compensate for time wasted or lost from any cause. The Referee shall be the sole judge of extra time except where these duties have been delegated to a timekeeper.

Recommencing play after injury
5. (a) If the continuance of play endangers an injured player the Referee may stop the game. If, when the game is stopped, a player is in possession of the ball the game shall be recommenced by that player playing-the-ball with a Controlled Restart Play-the-Ball.
(b) If a player in possession is injured in a tackle and unable to play-the-ball and play has been stopped, play shall be resumed by a colleague playing the ball at the point where the injured player was tackled.
(c) If a player in possession is injured in a tackle and unable to play-the-ball the Referee may without stopping the game, provided he/she is satisfied that continuance of play would not endanger the injured player, direct a colleague of the injured player to play-the-ball, Controlled Restart Play-the-Ball, at a point four (4) metres in-field from the point where the player was injured.
NOTES

Signal extra time

4. If a timekeeper is employed, the Referee shall signal that extra time is being allowed by raising both arms whereupon the timekeeper stops his/her watch and starts it again when the Referee waves one arm above his/her head to signal play is about to recommence.

Reduce stoppages

5. The Referee should endeavour to reduce stoppage to a minimum. Injured players should be removed from the playing field to receive attention as quickly as possible, taking into account the gravity and nature of the injury. Treatment to an injured player, by not more than one attendant, may be permitted while play proceeds if, in the opinion of the Referee, such treatment is not likely to interfere with play. The attendant shall not place anything on the ground likely to interfere with play, or carry anything of a rigid nature likely to cause injury in the event of a rapid switch in play causing an unforeseen collision.

(d) was injured.

SECTION 8

THE KICK OFF AND DROP-OUT

Kick-Off

1. The kick-off is a place kick from the centre of the halfway line. The team which loses the toss for choice of ends kicks off to start the first half of the game and their opponents kick off to start the second half.

When points have been scored, the team against which the points have been scored shall kick off to restart the game. Possession at the Controlled Restart Play-the Ball goes to the non-kicking side when finding touch other than on the full. It should be noted that the law applies all restarts.
Restarting Play at eight (8) metres – with a Controlled Restart

Play-the-Ball

2. The game is restarted with a Controlled Restart Play-the Ball from the centre of the eight (8) metre line if:

(b) An attacking player infringes in the in-goal area. In the event of a deliberate breach by an attacking player a penalty kick is awarded four (4) metres in the field of play in line with where the breach was committed (see Section 13).
(c) A defending player, in his/her in-goal, takes a kick in general play from an opponent on the full.

14. A penalty kick resulting from an offence at the kick-off shall be taken from the centre of the halfway line. Any penalty kick arising from the restarting of play from the eight (8) metre line shall be taken from the centre of that line. A penalty kick resulting from any offence at the drop-out from between the posts shall be taken from the centre of the line drawn parallel to and four (4) metres from the goal line.

NOTES

Players not Retiring Four (4) Metres

6. (a) If a kick to start or restart play is taken quickly and the opposing players have not had adequate opportunity to retire four (4) metres, they may be penalised if they wilfully interfere with play before the ball travels four (4) metres forward. If such interference is accidental a Controlled Restart Play- the Ball awarded to the non-offending side, but if the offending player has had adequate opportunity to retire four (4) metres his/her offence must be assumed to be deliberate.

Ball hits post

6. (b) Hitting the post or cross bar in flight does not negate the breach.

SECTION 9

TOUCH AND TOUCH IN-GOAL

Ball in Touch

Tackled Player in Touch on Rising

3. The ball is in touch when it or a player in contact with it touches the touch line or the ground beyond the touch line or any object on or outside the touch line except when a player, tackled in the field of play, rolls into touch as he/she positions his/her chair in which case he/she shall play-the-ball in the field of play.

Touch In-GOAL

4. (a) The ball is in touch in-goal when it or a player in contact with it touches the touch in goal line, or any object on or outside the touch in goal line.

Dead In-GOAL

3. (b) The ball is dead in-goal when it or a player in contact with it touches the dead ball line or any object on or outside the dead ball line.
Ball Back

4. If the ball is kicked by or bounces off a player in a forward direction (except from in-goal – Section 8 Law.4 (e) and it goes into touch on the full, a Controlled Restart Play-the-Ball is awarded to the non-offending team where contact with the ball was made except after the fifth play-the-ball (but not nearer than four (4) metres to the touch line or four (4) metres to the goalline) – (see Section 12).

Touch from Penalty

5. If the ball is kicked into touch from a penalty kick the game is restarted by a free kick four (4) metres in-field opposite the point of entry into touch (see Section 13).

Play-the-ball on the Four (4) Metre Line

6. Other than as outlined in points, 4 and 5 above, the game is restarted after the ball has gone into touch by a Controlled Restart Play-the-Ball awarded to the non-offending team four (4) metres in-field opposite the point of entry into touch but not nearer than four (4) metres to the goal-line – (see Section 12).

7. In all aspects of general play, a player who does not deliberately play at the ball (e.g. ricochet or rebound) will not be disadvantaged by a consequent restart of play when the ball has gone dead or into touch.

NOTES

Player not ‘Object’

1. and 2. A player is not considered to be an “object”. For example, the ball is not in touch when the player in possession, himself/herself being in the field of play is in contact with another player who is in touch.

Ball Dead

1. Where the ball which is stationary in the field of play or the in-goal area comes in contact with a player in touch, touch in-goal or over the dead ball line, the ball is deemed to have been made dead by that player.

Corner Post Touch In-Goal

2. A corner post placed at the intersection of a touch line and a goal line is in touch in-goal if the ball touches it when no one is in possession. If a player carrying the ball comes into contact with the corner post during general play, then they are not touch in-goal. It is a duty a Match Official to replace a corner post which is displaced during the game.
3. See Section 8. No.4 (e) in respect of kicking into touch on the full from in goal.

Ball Dead in Touch
4. Where the ball which has bounced or has been passed in the field of play or the in goal area comes into contact with a player in touch, touch in-goal or over the dead ball line, the ball is deemed to have been made dead or taken into touch by that player. Where the ball is played at from a kick that has not bounced in the field of play by a player who has at least one wheel on the touch line or in touch in-goal line then the ball is deemed to have been made dead or taken into touch by the kicking team.

SECTION 10
KNOCK-ON AND FORWARD PASS

Deliberate
1. A player shall be penalised if he/she deliberately knocks on or passes forward.

Accidental
2. If, after knocking-on accidentally, the player knocking-on regains or kicks the ball before it touches the ground, a goal post, cross bar or an opponent, then play shall be allowed to proceed. Otherwise play shall stop and a Controlled Restart Play-the Ball is awarded to the non-offending team except after the fifth play-the-ball.

Charge-Down
3. To charge-down a kick is permissible and is not a knock-on.

Heading the Ball
4. It is illegal to head the ball in a forward direction.

NOTES
Direction of Pass
1. The direction of a pass is relative to the player making it and not to the actual path relative to the ground. A player moving towards his/her opponents’ goal line may throw the ball towards a colleague who is behind him/her but because of the thrower’s own momentum the ball travels forward relative to the ground. This is not a forward pass as the thrower has not passed the ball forward in relation to himself. This is particularly noticeable when a travelling player makes a high, lobbed pass.
Controlled Restart Play-the Ball for Forward Pass
A forward pass in a passing movement is invariably caused by misjudgement and is rarely a deliberate offence. Play is restarted with Controlled Restart Play-the Ball awarded to the non-offending team after an accidental infringement.

Penalty for some Forward Passes
If the Referee is of the opinion that a player in giving a forward pass must have been well aware that the catcher was in front of him then the Referee is justified in ruling that the ball has been deliberately thrown forward.

Ball Bounces Forward
If the ball is passed correctly but bounces forward, there is no infringement and play should continue.

Knock-On over Goal-Line
After a player, from the field of play, knocks on into his/her opponent’s in-goal area and he/she or a colleague touches down, play is restarted with a Controlled Restart Play-the Ball awarded to the non-offending team where the knock-on occurred, except after a play-the-ball subject to Section 12, Law 10

SECTION 11
THE TACKLE AND PLAY-THE-BALL

Tackle Player in Possession
1. A player in possession may be tackled by an opposing player or players. It is illegal to tackle or obstruct a player who is not in possession.

When Tackled:
Tags Removed
2. A player in possession is tackled:
(a) When one (or both) tag(s) are removed by a defender(s)

Upright
(b) When he/she can make no further progress and cannot part with the ball. Referee calls held when progress is stopped. Play re-started with a Controlled Restart Play-the Ball

(c) Two separate defenders may remove tags simultaneously to effect the tackle.
A single defender may not remove both tags in a single tackle. A penalty should be awarded.
Prevents the Defender from Reaching a Tag
(d) When the ball carrier is moving and raises the ball above shoulder height, or leans back in the chair, the referee calls held when progress is stopped. Play re-started with a Controlled Restart Play-the-Ball

No Tag Situation
(e) If the player receives the ball while wearing 1 or no tags, then a subsequent tackle may be made by clearly touching, with an open hand, the arm area from the shoulder to the elbow while calling ‘no tag’.

NOTES

Foul Play

1. A player must not touch – push, hold or grab – an opponent’s wheelchair at any time

1. A player must not pull or grab an opponent’s clothing or any part of the body at any time

No Moving of Tackled Player

3. Once a player in possession has been tackled it is illegal for any player to move or try to move him from the point where the tackle is affected.

Verbal Instructions to Resolve Doubt

4. If any doubt arises as to a tackle, the Referee should give a verbal instruction to “play on” or shout “held” as the case may be. If the referee is of the opinion that the player in possession could not hear the “held” call before passing or moving off with the ball he/she should instruct the player to play-the-ball at the point where the player was when “held” was called unless it occurs after the fifth play-the-ball in which case a handover will apply.

Second Movement after Tackle

5. When an attacking player is tackled within easy reach of the goal line he/she should be penalised if he/she makes a second movement to place the ball over the line for a try.

Sixth Tackle

6. (a) A team in possession of the ball shall be allowed five successive play-the-balls. A handover shall occur AFTER the fifth tackle in the following circumstances.
i. The team is tackled a sixth time.
ii. The team in possession commits an accidental breach for which a Controlled Restart Play-the Ball would be awarded, a Controlled Restart Play-the Ball would be awarded to the non-offending team.
iii. A player is tackled in the opponent’s in-goal.
iv. The ball is kicked into touch on the full.
The handover will occur either at the point of the sixth tackle or where the handover Controlled Restart Play-the Ball would normally be set— but, in the latter case, not closer than eight (4) metres from touch.
The play-the-ball for this purpose shall not be counted for the purposes of the tackle count and shall operate as provided for in Law 9 of this section.

NOTES

6. Indicating Last Tackle
The Referee shall indicate the fifth (5) tackle by raising one arm vertically with fingers and thumb out-stretched and the sixth (6) tackle by blowing his/her whistle, not to stop the game, but as a signal to players that the ball has to be released for the opponents to play-the-ball.

Opponent “Touches” ball
By “touching” the ball is meant intentionally playing it with any part of the person when it is not held by an opposing player. A ricochet or rebound does not count as a “touch”.

Charging Down
Charging down a kick counts as a “touch”

Cancels Count
“Touching” the ball cancels the count of play-the-balls and the next tackle counts as the first of six (6).

Losing Possession
If a tackled player loses possession of the ball at the moment of impact with an opponent play shall proceed unless stopped for some other reason, e.g. the ball has been knocked forward.

Kicked Out on Full
6 (b) For the purpose of this Law the point of infringement in the case of a kick into touch on the full shall be the point from which the ball was kicked.

Accidental Breach “Zero Tackle”
6. (c) Where an accidental breach occurs (kick-on, forward pass) and possession changes hands, the following tackle will be a zero tackle, notwithstanding that the team gaining possession may have gained a territorial advantage.
Losing Possession – Intentionally or Accidentally
7. A tackled player shall not intentionally part with the ball other than by bringing it into play in the prescribed manner. If, after being tackled, he/she accidentally loses possession, a Controlled Restart Play-the-Ball shall be formed except after the fifth play-the-ball.

“Stealing” from Tackled Player
8. No ball stealing
9. The play-the-ball shall operate as follows.

Release Tackled Player Immediately
(a) The tackled player shall be immediately released, defenders are to disengage, and shall not be touched until the ball is in play.

Restart
(b) The tackled player shall without delay face his/her opponent’s goal line, wheels parallel to the touchline, and play-the-ball

Player Marking
(c) One opponent may take up the position immediately and directly opposite the tackled player and must not interfere with the play-the-ball.
(d) The tackled player may not play-the-ball before the players effecting the tackle have had time to clear the ruck.

Play-the-ball
(e) Play-the-ball is effected by touching the ball on the floor and passing to a team mate.

Play Irregularly Effected
(f) The ball hits the roof or an object outside the playing field then it shall be a Controlled Restart Play-the-Ball for the non-offending team.

NOTES
9. (a) Both tags must be in place prior to the play-the-ball
   Both tags must be in place prior to beginning the downward path of the ball to touch the ground (i.e. affecting the play-the-ball)

9 (b) The Marker cannot re-tackle the ball player

9 (e) Players with restricted movement, identified by an arm band, may touch the ball on any part of either pushing wheel.
**Speed Essential**

10. The play-the-ball must be performed as quickly as possible, in one (1) continuous motion. Any player who intentionally delays the bringing of the ball into play shall be penalised.

**Tackling on or Near the Goal-Line**

11. If a player is tackled with the centre axle of the ‘pushing’ wheels on or behind the goal line he/she is deemed to be tackled in the in-goal area.

**NOTES**

**Disputed Possession**

9. If any doubt arises as to which player should play-the-ball (i.e. possession is disputed) the Referee should call “...’s ball” naming the team in possession.

**Accidental Deflection**

9. (d) When a tackled player attempts to play-the-ball backwards but accidentally deflects the ball forward, a Controlled Restart Play-the Ball ensues with the non-offending team having the possession.

**Acting Half-Back**

9. (e) Two players take part in the play-the-ball – one (1) attacking & one (1) defending. All other players are onside if they retire the prescribed distances.

**No Marker**

6. (f) If no marker takes up a position opposite the tackled player the play-the-ball must still be effected by touching the ball on the floor and passing to a team mate.

**Penalise Intentional Interference**

9. (g) If the ball is played quickly, all players will not necessarily have time to retire the prescribed distance. They should be penalised only if they intentionally interfere with play – either actively or passively.

**Accidental Interference**

9. (g) If the interference with play is accidental, a Controlled Restart Play-the Ball should be awarded. Interference should not be considered accidental when the player concerned has had opportunity to remove himself from the area in which play is taking place.
A player who realises he/she is out of play and is near play should raise his/her hands above his/her head. Taking this action does not, however, exonerate him from penalty if he/she interferes with play and the Referee feels that he/she could have avoided such interference.

**Indicating Four (4) metres**

The Defensive Referee should usually position himself/herself four (4) metres behind the point at which the ball is played as a guide to the team not in possession.

**Out of Play: Play-the-Ball**

9. (g) Any player who is in front of the kicker in general play is not permitted to advance beyond the point of the play-the-ball until the ball has gone past the off-side player.

**Off-Side Player Raising Hands**

**Section 1**

2

All Laws which would result in a scrum are replaced with a Controlled Restart Play-the-Ball.

**Section 1**

3

**When Awarded**

1. (a) A penalty kick shall be awarded against any player who is guilty of misconduct (Section 15) provided that this is not to the disadvantage of the non-offending team. Unless otherwise stated, the mark is where the offence occurs. If misconduct occurs in touch the mark shall be four (4) metres from the touch line in the field of play and opposite where the offence occurred or, in the case of obstruction, where the ball next bounces or is caught, in the field of play, or four (4) metres opposite the point of entry if the ball enters touch on the full, or four (4) metres from the goal line if the ball crosses the goal line on the full, whichever is to the greater advantage of the non-offending team. If the offence is committed by a defender in his/her own in-goal or an attacker in his/her opponents’ in-goal, the mark is taken four (4) metres into the field of play opposite where the offence occurred. In the event of further misconduct by the offending team, the Referee shall advance the mark once only four (4) metres towards the offending team’s goal line.
How Taken
1. A player may take a penalty kick by punting, drop kicking or place kicking the ball from any point on or behind the mark and equidistant from the touch line. Other than when kicking for goal (see note to No.10, Section 6) the ball may be kicked in any direction, after which it is in play.

Position of Players
2. Players of the kicker’s team must be behind the ball when it is kicked. Players of the team opposing the kicker shall retire to their own goal line or four (4) metres or more from the mark towards their own goal line and shall not make any attempt to interfere with or distract the attention of the kicker. They may advance after the ball has been kicked.

Find Touch from Penalty Kick
3. (a) If the ball is kicked into touch without touching any other player the kicking team shall restart play with a free kick. Opposing players shall retire four (4) metres from the point of entry into touch or to their own goal line. In the event of a breach by the kicker’s team, a Controlled Restart Play-the Ball shall be awarded to the non-kicking team at four (4) metres in-field from touch line with where the free kick was awarded but no closer than four (4) metres from the goal line. In the event of a breach by the opposing team a penalty kick shall be awarded at a point opposite where the breach occurred on a line parallel to the goal line four (4) metres from where the free kick was awarded.
4. (b) If the ball touches an opponent in flight and then enters touch, a Controlled Restart Play-the Ball shall be awarded to the kicking team at four (4) metres in-field from where the ball crossed the touch line.

NOTES

The Mark
2. As the mark cannot be conveniently marked on the ground a player who punts or drop kicks may deviate slightly from it. This is permissible provided no unfair advantage is gained. The kicker himself/herself may regather the ball after it has been kicked. If a player takes the ball back from the mark for a kick at goal the original mark is cancelled and the new mark is where the ball is to be kicked, and opponents may advance to within four (4) metres of the new mark.

Retiring Four (4) Metres
3. If the kicker takes a penalty kick or the subsequent free kick quickly, the opposing players may not have all retired four (4) metres in which case they should be penalised only if they interfere with play. These players may join in the play when any advantage which they may have gained through not retiring has been lost. The Defensive Referee shall act as a guide to the team opposing the kicker by taking up a position four (4) metres beyond the mark (Section 16, law 17).

Free Kick (second kick)
4. The ball may be kicked in any direction in any manner when bringing it into play after entering touch and the kicker himself/herself may pick up the ball after he/she has kicked it.

Dead Ball from Penalty Kick
4. Play is restarted with an eight (8) metre drop-out if the ball is kicked dead in the opponents’ in-goal from a penalty kick (Section 8, Law 3).

No Delay
5. No player shall deliberately take any action which is likely to delay the taking of a penalty kick.

Kicker Side Infringes
6. If the kick is not taken as stated or if a player of the kicker’s team infringes, a Controlled Restart Play-the Ball shall be awarded to the non-kicking team at the mark, provided it is no closer than four (4) metres to the touch line.

Explain Why Penalised
7. When the Referee penalises a player he/she should explain the nature of the offence.

Penalty for In-Goal Offence
8. If a penalty is awarded for an offence by the attacking team in the opponent’s in-goal area the mark shall be four (4) metres in the field of play opposite where the offence occurred. For an offence in-goal by the defending team which incurs a penalty the mark is in the field of play four (4) metres from the goal line and opposite where the offence occurred except for foul play against a try scorer (see Law 9).

Offence Against Try Scorer
9. If a player fouls an opponent who is touching down for a try, a penalty kick at goal shall be taken from in front of the goal posts after the attempt to convert the try. After his/her kick has been taken the ball shall be deemed dead and play shall be restarted from the halfway line. This law applies to the period during which the ball is touched down for a try and not to any subsequent period.
Drop Goal Foul Play on Kicker
10. (a) If a player fouls an opponent who is attempting a drop goal, a penalty kick shall be awarded in front of the goal posts.
(b) If the attempt at drop goal is successful, a kick at goal must be taken from the penalty kick and play restarted from the centre of the halfway line irrespective of the outcome of that kick.
(c) If the attempt at drop goal is unsuccessful, the penalty kick can be taken in any manner provided for in the Laws and play re-started according to the outcome of that kick.

NOTES
Refusing to Surrender the Ball
5. When a penalty has been awarded, the Referee must ensure that an opposing player does not hold on the ball or deliberately kick or throw it further from the mark.

Penalty In-Goal
8. For an offence in-goal by the defending team, a penalty try may be awarded depending on the gravity or the offence. (see Section 6, Law 3 (c)

Section 14

Off Side
When Off Side
1. A player is off side except when he/she is in his/her own in-goal if the ball touches, is touched, held or kicked, by one of his/her own team behind him/her.

Out of Play
2. An off side player shall not take any part in the game or attempt in any way to influence the course of the game. He/she shall not encroach within four (4) metres of an opponent who is waiting for the ball and shall immediately retire four (4) metres from any opponent who first secures possession of the ball.

Placed Onside
3. An off side player is placed onside if:
(a) An opponent who moves four (4) metres or more with the ball.
(b) An opponent touches the ball without retaining it.
(c) One of his/her own team in possession of the ball runs in front of him.
(d) One of his/her own team kicks or knocks the ball forward and takes up a position in front of him in the field of play.
(e) He/she retires behind the point where the ball was last touched by one of his/her own team.
NOTES

Catcher Claiming Off-Side

1. A player who catches the ball near an off side opponent must not go out of his/her way to make interference in play by the offside player unavoidable. He/she should proceed with normal play and rely on the Referee to penalise the off side player if the latter interferes with play. If the catcher deliberately and unnecessarily runs into the off side player, then play should proceed.

Accidental Off-Side

Where the Referee is satisfied that interference with play by an off side player is accidental he/she should award a Controlled Restart Play-the Ball to the non-offending team.

Interfering with Catcher

2. Any off side player who remains within four (4) metres of an opponent who is set to catch a kick up field by an opposing player shall be deemed to be interfering with or attempting to interfere with the catcher and shall be penalised unless the non-offending team gains an immediate advantage.

“Out of Play” as Opposed to “Off-Side”

3. Players who are out of play at a play-the-ball (Section 11), kick off or drop-out (Section 8) a penalty kick (Section 13) or a free kick (Section 13) are not put “on side” in the manner described in Law 3 above. (See appropriate Sections).

“Down Town”

Any player who is in front of the kicker in general play is not permitted to advance beyond the point of the previous play-the-ball until the ball has gone past the off side players. This rule delays the movement of the off side players downfield in an attempt to encircle the ball receiver as he/she collects the ball.
SECTION 15

PLAYER’S MISCONDUCT

Definition of Misconduct

1. A player is guilty of misconduct if he/she:
   (a) Strikes another player.
   (b) When effecting or attempting to effect a tackle makes contact with the head or neck of an opponent intentionally, recklessly or carelessly.
   (c) Touches – pushes, holds or grabs – an opponent’s wheelchair at any time.
   (d) Pulls or grabs an opponent’s clothing or any part of the body at any time.
   (e) Drives in (both hands on the wheels), deliberately using the wheelchair as a force.
   (f) Deliberately and continuously breaks the Laws of the Game.
   (g) Uses offensive or obscene language.
   (h) Disputes a decision of a Match Official.
   (i) Re-enters the field of play without the permission of the Match Official having previously temporarily retired from the game.
   (j) Behaves in any way contrary to the true spirit of the game. Deliberately obstructs an opponent who is not in possession.

NOTES

Explain Reason for Penalty

(g) The Captain may ask the Referee the reason why a penalty kick has been given provided he/she does so respectfully.

Delay Restart of Play

(i) To deliberately delay the restart of play from the goal line, eight (8) metre line or halfway line constitutes misconduct for the purpose of this rule.

Obstruction after Kick

(j) A common form of obstruction occurs when a player, after kicking the ball forward, is impeded by an opponent. However, a tackler cannot be expected to delay attempting a tackle because the player in possession might decide to kick the ball. The onus is on the kicker to get his/her kick in before his/her opponent commits himself to the tackle.

The player in possession has delayed kicking the ball until the tackler has commenced to commit. The tackler should not be penalised.

The ball has been kicked before the opponent commits himself/herself to the tackle. He/she should be penalised if he/she obstructs the kicker.
Accidental Obstruction
Obstruction can be either, active, passive or accidental. Passive obstruction is where a player impedes an opponent by deliberately remaining in his/her path although he/she has had the opportunity to remove himself/herself. If a player is in position which is likely to cause obstruction and he/she feels that any movement by him/her may aggravate the situation, he/she should raise his/her hands above his/her head and thus indicate to the Referee that he/she is taking no part in the play. Where accidental obstruction irregularly affects the play, the game should be stopped and restarted with a Controlled Restart Play—the Ball awarded to by the non-offending team at the point of infringement. If play is not affected, then the game should not be stopped.

Obstructing Off-Side Player
It is illegal to obstruct any opponent not in possession, even one who is off side or one who is endeavoring to get to the ball after it has been knocked on or thrown forward.

Player in Possession Cannot Obstruct
The player who is in possession of the ball cannot be guilty of obstruction. He/she can make use of the goal posts to avoid a tackle, or dodge behind a ruck of his/her own players.

SECTION 16
DUTIES OF MATCH OFFICIALS

1. In all matches an Attacking Referee (lead) and a Defensive Referee shall be appointed or mutually agreed upon by the contesting teams. The Referees will operate on opposite touchlines, outside the field of play.

One Attacking Referee (Lead)
(a) The Attaching Referee is in charge of all the major decisions.

One Defensive Referee
(b) The Defence Referee supports the attaching referee by taking the defensive line back. In general play, he/she is equivalent to the attacking referee. In case of a kick at goal, he/she will take position under the posts to assist the attacking referee.

Enforce Laws
2. The Match Officials shall enforce the Laws of the Game and may impose penalties for any deliberate breach of the Laws. They shall be the sole judge on matters of fact.
Timekeeper
3. The Attacking Referee shall be the sole timekeeper except where this duty has been delegated to another person (see Section 7).

Power to Stop Game
4. The Attacking Referee may, at his/her discretion, temporarily suspend or prematurely terminate a match because of undue interference by spectators, misbehavior by players, or any other cause which, in his/her opinion, interferes with his/her control of the game.

Permission to Enter Playing Area
5. Referee’s shall not allow anyone apart from the players onto the playing area without permission.

NOTES

Referee Injured
When a Referee is unable to continue he/she should appoint a substitute, preferably a neutral person. If the Referee is not able to appoint a substitute, the respective captains should mutually agree, failing which the person with the greater experience should take control.
If the injury sustained by the Referee renders him/her incapable of blowing his/her whistle to stop the game, the latter shall be deemed to have stopped at the time the injury was sustained.

2. Consult other Match Officials
Before giving a decision, it is permissible for the Referee to consult all Match Officials.

5. Player Returns to Playing Field
A player who has temporarily retired from the game shall inform the nearer Referee before re-entering the playing field.

6. Power to Dismiss
In the event of misconduct by a player, the Referee shall, at his/her discretion, caution, temporarily suspend for ten (10) minutes, or dismiss the offender.

7. Control of Players
The players are under the control of the Match Officials from the time they enter the playing area until they leave it.
NOTES

6. Caution
A caution may be administered to a team as a whole in which case each player is considered to have received an individual caution. When a final caution is given, the nature of the offence and the time must be recorded by the Match Officials and must be quoted if the player is subsequently dismissed.

6. Temporary Suspension
The power to temporarily suspend a playing is not an encouragement to Match Officials to deal leniently in the event of misconduct which merits dismissal.

6. End if Temporary Suspension
A temporarily suspended player shall re-enter the playing field when permitted to do so by the Match Official. The Match Official will determine the end of the suspension (they can be guided by the designated official if one is employed).

6. Dismissed Player
A dismissed player can take no further part in the match, nor shall he/she be permitted to take up a position near the playing area where his/her presence is likely to provoke further incident.

6. Changing a Player’s Position
When administering a final caution to a player who has persistently committed breaches of the laws, the Attacking Referee shall advise the player’s Captain so that the latter may, if he/she so wishes, change the player’s position in the team.

7. Playing Area
Where there is no actual enclosure, the area of control is that within the natural boundaries of the field in which the playing area is located.

7. Harassing Match Officials
If a Match Official is assaulted or unduly harassed by any person arising out of his/her control of a match, he/she should submit a report to the appropriate League even though such incident occurs after the match is ended.
8. When to Blow Whistle

The Referees must carry a whistle which he/she shall blow to commence and terminate each half of the game. Except for these occasions the blowing of the whistle shall temporarily stop the play.

The Referees shall blow the whistle:
(a) When a try or goal has been scored.
(b) When the ball has gone out of play.
(c) When restarting play.
(d) When he/she detects a breach of the Laws of the Game, except when to stop the play would be to the disadvantage of the non-offending team.
(e) When play is irregularly effected by the ball or the player carrying the ball coming into contact with a Match Official or with any person not taking part in the match or with any object which should not normally be on the playing field.
(f) When any irregularity, not provided for in these Laws, occurs and one team unjustifiably gains an advantage.
(g) When a stoppage is necessary in order to enforce the Laws or for any other reason.

Where a Referee has stopped play to administer a caution to a player or players he/she shall indicate extra time until he/she blows his/her whistle to restart play.

NOTES

8. Whistle Blown Accidentally

Play must stop even if the whistle is blown accidentally in which case play is restarted with a Controlled Restart Play-the Ball where the ball was last touched by a player in the field of play before the whistle is blown, and his/her team shall maintain possession.

8. Apply Advantage

The advantage law applies to all phases of play, but where a team infringes in a strong tactical position the advantage should be allowed only if the ball goes immediately into the possession of the non-offending team.

The Referee is the sole judge of what constitutes an advantage, be it tactical or territorial. An infringement is not ‘negated’ simply because the ball touches or is touched by an opponent. The opponent must have adequate opportunity to take advantage and endeavor to do so before play is allowed to proceed. Application of the advantage laws does not deprive the Referee of subsequently dealing with an offending player.
9. Changing Decision
The Referee judges on matters of fact and shall not subsequently alter those judgments. He/she may cancel any decision made if prior foul play of which he/she had no knowledge is reported to him/her by a Match Official.

10. Flag
Flags are placed on/adjacent to the goal posts and are used to indicate the success or failure of a conversion or penalty kick for goal.

NOTES

Infringement by Attacking Team
If a team infringes when in a strong attacking position territorial or tactical, the Referee should stop play promptly, unless the ball is immediately possessed by the defending team because a loose ball cannot be considered to be of advantage to a team in a weak, defensive position. Applying the advantage law does not deprive the Referee of his/her power to deal subsequently with any offending player.

9. Awarding a Try
The circumstances referred to in this Law will not arise when a try is scored as the Referee shall look at all Match Officials before awarding a try.

9. Report Misconduct Quickly
If another Match Official wishes to report a player’s misconduct, he/she should attract the Referee’s attention as quickly as possible in order to avoid an unnecessary continuation of play. Any subsequent penalty is awarded where the offence occurred and not where play is subsequently stopped.

9. No Undue Interference
Another Match Official must not unduly interfere with the Referee’s control of the game by reporting incidents which have obviously been seen by the Referee.

11. Indicating Touch
A Referee shall indicate when and where the ball goes into touch by raising his/her hand and standing opposite the point of entry into touch except in the case of ‘ball back’ (see Section 9 Law 4) when the Referee must indicate that no ground has been gained by waving his/her hand above his/her head accentuating the movement in the direction of the kicker’s goal-line.
Official Inquiry

12. In cases where circumstances in connection with the match are likely to be made the subject of an official investigation, the match officials shall report to the investigating authority only and shall refrain from expressing criticism or comment through other channels.

Ball Swerving Back into Playing Field

13. A Match Official should not raise his/her arm immediately the ball in flight crosses the touch line if there is a possibility of it swerving back into the playing field because play is not stopped if the ball does drop back into the playing field.

NOTES

Controversial Decisions

If any decision by a Referee is likely to be controversial, the Referee may explain his/her reasons for making the decisions if by so doing unnecessary misunderstanding or controversy can be avoided.
